Patient and Physician Information

Booking Your Iron Infusion Appointment

To schedule an iron infusion appointment:

- Visit www.pokebeauty.ca and click on “**Book an Appointment**.”
- Select one of our nurse practitioners, then choose “**Iron Infusion (Approved by Hematology/Internal Medicine)**.”
- Select a date and time that works best for you. *Please allow 24–48 hours for us to review and process your physician’s order.*

Billing Information

- A credit card is required to be kept securely on file. This card will **only be charged** in the event of a no-show or late cancellation.
- **Appointments must be cancelled at least 24 hours in advance** through the online booking system. Cancellations made with less than 24 hours’ notice are subject to a **\$100 fee**.
- The pharmacy will **direct bill your private insurance plan** for the cost of Monoferric. If you have previously filled a prescription in Alberta, your insurance details are likely already on file with the pharmacy.
- Any remaining balance for the medication will be collected at the time of your appointment. A pharmacy-issued drug receipt will be provided.
- The administration fee for the infusion is **\$200**, payable at the end of your appointment.
 - **Credit cards** are accepted (2.4% processing fee).
 - **Debit, e-transfer, and cash** are also accepted with **no additional fees**.
 - **No GST** is charged on this service.
- A detailed receipt for the administration fee will be provided should you wish to submit it to your extended health benefits plan.

Before Your Appointment

- Please eat a light meal and stay well hydrated.

- Dress warmly to help keep your veins visible and accessible.

During Your Appointment

- Feel free to bring a book or your phone for entertainment.
- One visitor may accompany you; however, most patients are able to drive themselves to and from the appointment.
- An IV will be inserted into your arm, and the appointment will last **approximately 1-2 hours**, depending on the prescribed dosage.
- You may bring a small snack or drink to consume during your infusion.

After Your Appointment

- We recommend resting for the remainder of the day, although most patients are able to resume normal activities.
- If you will be **driving more than 45 minutes**, please arrange to have someone accompany you.
- Ensure a family member or friend is aware that you've received an iron infusion.
- Your nurse will provide complete aftercare instructions before you leave.
